Vernacular papers for the Memorial Hall at Davengere

Boards resolution dt 19-1-95 pl 31.

On the 19th January 95 the Mc Board of Davengere convened a special meeting for the purpose of considering the best measures to be adopted for perpetuating the memory of His Highness the Late Maha Raja, when the members present unanimously approved of the Auditors' suggestion to (raise) a decent "Town Hall" in the extension and resolved that the permission of the Govt should be obtained for collecting certain subscriptions from the people of the Taluk who [illegible]

their own free will in addition to his amount that could be raised in the Town

Th. Eg. Brown enquired whether the people of Davenport wished to have a separate Town hall in their Town while there had been a resolution to erect one at Chatteris, and whether it was easy to raise the necessary funds for the work from the people of that Parish. He added that the conduct of the Board was worthy of praise, and asked the Auditor to report as to the certainty of the necessary funds being raised.

convened by the leading persons and merchants of the Davangere Town and the Taluk. The Resolutions of that meeting are to the following effect

1) + + + +

2) That it is absolutely necessary to have a building erected in this town which is noted for its commerce population and other facilities, that the building should be called the "Chamaraja Memorial Hall", and that the same should be made available for the people of this town and the Taluk for holding any meetings therein for reading room and such other suitable purposes

3) That a general Committee be formed for the conduct of the proposed work

(4) That an Executive Committee be formed for the purpose of procuring the sum necessary for the work, and for carrying on of any work in connection therewith

(5) That, as many people did not attend this meeting owing to some unavoidable cause, they should be informed of the proceedings of this meeting, and any sum, that might be paid by them out of their own free will, be collected

(6) That three resolutions be sent to the D. Amildar of Haribar for being explained to people of the out-taluk, among that any money that might be collected there be made available for the proposed work

work here and that the people of the Sub-Salute be allowed full scope for enjoying the benefits of the building in question

(7) That ~~abstract~~ English translations of these resolutions be sent to messrs Addy Brothers & Co & messrs Binny & Co who carry on trade on an extensive scale in this town, and that they help the ~~Committee~~ Assistant Secretary

(8) That in case the amount collected from contributors should fall short of the required sum by a small amount, the Hy Govt be applied to for ~~reduction~~ a grant from the Funds of so much of the amount as is possible to make

(9) That a letter "

who contributed for the work be printed and published.

110, That after the whole amount of contributions is collected a plan of the building be caused to be prepared and submitted to the President for his approval

× × × ×

4 The Secretary directed the Auditor to report, ~~after~~ corroboration after ascertaining from the people concerned, whether it was expedient to erect a Memorial Hall at Davangere

5 The Auditor submitted a copy of the proceedings of a meeting ~~of~~ ~~persons~~ held on the 31st May, 1895 which is as follows:— Secretary Davangere

Dawenport is a big town
and yet there is not even
one good building in it
It is therefore necessary to
build a decent Town Hall
in the Esplanade which bears
the name of the late Hughes
When the amount for the
work is collected Govt
may be addressed and
their sanction obtained
In case the amount collected
should be very small the
question may then be con-
sidered of utilizing the
present with the people's
consent for the Town Hall
proposed to be built at
Chitaldrug".

6 Whereupon the Dy Comr
wished to have a definite
idea of the sum i-

that had already been
collected and of the
amount that might still
be expected from the people

The Amildar reported ¶ 4.
having collected Rs 2543/-
and expected to collect
Rs 1500 in due course with
regard to collection work
he said he intended to
do it himself in person or
entrust the work to a senior
officer.

7. The Dy Com^r deprecated the Amildars' practice ¶ 5
of collecting contributions either
himself or by a senior officer
and observed that the
amount should be collected
by the people themselves

Amils reports dy 16-6-47

8. On submitting the account ¶ 6
for the collection already made
by her - the Amildar stated
that the people were very

anxious to see the construction of the building taken in hand early, and that several Mr. Members and other Merchants volunteered to superintend the work themselves & have the work executed according to the approved plan, and recommended that their suggestion might be approved and the work executed in accordance with their wishes

9 The Secretary to the Govt sent an estimate for the work amounting to Rs 7142/- and asked the Municipality to settle the means for making good the balance after deducting the amount of contributions.

10. A meeting of the Memorial Hall Committee was accordingly convened on the 25th Nov. 1897 and it was resolved

as follows - "Mr. Mack. out of the balance of Rs 3141/- required for the work, ~~[illegible]~~ after deducting Rs 2000/ the amount of contribution from Rs 1112 the amount of estimate, Rs 2611/- he cannot be paid from the funds the remaining sum of Rs 600 being collected from the townspeople"

11 The Ex Comr observed that order of the Govt would be obtained on receipt of a report from the Amildar for the people having collected the said sum of Rs 600/--

12 On the 20 July 93 the Amildar reported that Rs. 4326 / 8 had been collected and deposited. Drawing, etc. & that the remainder fell short of the amount of estimate and solicited instructions

as to whether the work
be commenced according to
the estimate

13. The Dy Comr observed that it was a work to be done by the Memorial Hall Committee that it should be done through them, and that if any contribution from Mc funds were required the subject should be placed bef a meeting ~~should~~ for discussion a reference being made to him afterwards.

14 On the 5th May 1899 the Memorial Hall Committee & the Mc Board held separate meetings. The Committee resolved to make over to the municipality the amount of Contribution which amounted to Rs 4461-4-8 including interest up-to end of that year and to request the Mc to hand over the

collect more than what has already been collected up till now. Though Shimoga is a Hd-Quarter Town grant equal to the amount collected from private contributions has been made by Govt: for constructing a Memorial Hall there Davangere is not a Hd Quarter Town. Nevertheless the collection is comparatively large. Now a long time has elapsed since the collection of the amount the work has not yet been commenced. As resolved on the 5th May 1899, the Hall should be constructed either from the Mpl or from the provincial funds Now that the Govt are going to build a school and a Cutcherry at great cost

near the site published for the proposed Memorial Hall, it is essential that the said Hall should be decent and good-looking. Such a Hall would be very useful to the Mg. It is therefore resolved that the Mg should pay Rs 3000/- towards its construction."

17 Thereupon the Bg Comr called for an estimate of the probable cost of constructing it

18 The Architect caused an estimate to be prepared and placed it before the Board on the 15th August 1893 when the Board resolved to submit the same for the President's approval with the observation that when the Secretary had been to Davangere he had stated that he would obtain a grant of Rs 2500/- for the work from

Board Proceedings of 15-8-93
Pl 21

This is not quite correct. The question was whether the Board should contribute Rs 2000 or Rs 2500 - The latter was pleased to say that the Municipality should give Rs 2000 towards the cost

Received — from the Govt 17

19 In submitting the above estimate for Govt sanction the President proposed that the amount transferred to the Mc by the Memorial Hall Committee might be credited to suit funds the provision being made for the entire cost in the next year's Mc Budget

General and Revenue Departments.

Sir,

Adverting to Govt: Proc: No. 5114-5/F.A.48-99 dated 11th October 1900, I have the honour to forward the accompanying revised project amounting to Rs. 4,400 for constructing a tender hall at Devangere, received from Sandur Dewan, which is only Rs. 920 more than the estimate of Rs. 3,480 covered with the above quoted Proc: The explanation for this excess is given in the report attached to the revised estimate.

2. It is observed from the Proc: under reference that only Rs. 3,000 are available for the building operation, whereas the revised estimate amounts to Rs. 4,400. It appears that the latter amount will be forthcoming, otherwise the estimate should be reduced so as to keep within the available grant.

3. Acknowledgment is solicited.

Sir,

I have the honor to acknowledge the receipt of Government Proceedings No. 18663 4 (5) / L J 48-99 of the 28th May 1902, regarding the proposed Construction of the Chamarajendra Memorial Hall at Davangere and to State that the private subscriptions already collected and deposited in the Government Savings Bank in the name of M Annegere Basappa, Treasurer of the Chamarajendra Memorial Fund, amount to Rs 4893. 15. 4 with interest upto 30th June 1902 Deducting this from the amount the revised Estimate Viz Rs 8,400, there remains Sum of Rs 3506. 0 8. The Merchants of Davangere have expressed their inability to raise any further subscriptions to meet the balance of the Estimated

and pray that it may be provided by grants from the Municipality and the Government If no grant is to be made by Government, the whole of the Sum of Rs 3506.0.8. above referred to will have to be borne by the Municipal Funds The Budget Estimate of the Davangere Municipality for the current year provides for a Closing balance of Rs 4,649 which is likely to be augmented by enhanced receipts from "Tolls on Carts."

2. Under these circumstances I beg to recommend that the revised Estimate for Rs 8,400 may be Sanctioned and that a grant of Rs 3506 may be made — from the Municipal Cash balance towards the Memorial Hall.

General and Revenue Secretary's No 5741 dated 11th ultimo requesting 7745-99 to be informed if the Restored Fund Board is willing to pay any contribution towards the cost of construction of Chamarajendra Memorial Hall Chakaiwe, and if so, to forward a copy of its resolution

Resolution:-

The Board observe that the balance at their disposal is very small being Rs 2352/ less than the prescribed minimum, and that, therefore, they are unable to contribute anything towards the Chamarajendra Memorial Chakaiwe. Of the 15 members present only seven were in favour of such contribution, while the

remainder 12 were against the
proposal. The Motion was
therefore lost.
